

AMERICAN ACADEMY OF PHYSICIAN ASSISTANTS IN LEGAL MEDICINE

2009-2010 MEMBERSHIP FORM

Membership requires two steps:

- 1) To complete your membership application, you must download, complete and email the Membership Registration Survey. This is an Excel spreadsheet that is posted on the membership page of the website (www.aapalm.org). Sample entries are provided. Instructions are posted as a separate Word document.
- 2) Pay annual dues. Dues help pay for the educational activities of AAPALM members, newsletter, and website maintenance. In addition, dues paying members are given priority for any case review requests that AAPALM receives. AAPALM frequently receives requests from the AAPA and other organizations for medical-legal case review and consultation. Filling out the survey helps us match members with their areas of expertise.

Dues apply from the AAPA Annual Conference forward until the next Annual Conference – roughly from Memorial Day to Memorial Day of each year. There are no pro-rated considerations.
